

FALC NORD TODF TOLL UNFOLD 07

I just what you needlessly-
-but I need less often my once malice
im in the last
in at last
lessen
of an essential
accentuation
of what a settling of distance complexity unsensicle nonsense
lessen callus
just call or say goodbye
yes you must schedule, call my secretary,
I cant make this last
I can end a beginning
begin my ending and squeeze in the irreverence
unfortunate intermission
only 2 acting sessions to bring it out and into
cause me to finish...
because I need my credit
